### Founding Member | Precious Plastic UH

08.2019 - PRESENT | HOUSTON, TX

Began an initiative to get plastic recycling capabilities into the hands of students.

Established ongoing working relationships with on- and off-campus organizations.

Raised over \$8K in grants for machinery and events, so far.

### Member of Class 8 | RED Labs

05.2020 – 08.2020 | HOUSTON, TX

Developed a working prototype for a therapeutic rehabilitation device.

Built a web presence and business plan over the course of the summer accelerator program.

Competed in pitch competitions to fund the startup, raising over \$6K.

### Competitor | ULI Hines Student Competition

01.2020 | HOUSTON, TX

Curated an urban growth plan for a proposed low-carbon transportation hub in Miami, FL.

Focused on sustainable economic development of the surrounding community.

Collaborated with a team of architects and budgeting professionals to develop a pro forma.

### Competitor | Gulf Coast Green

08.2018, 08.2019 | HOUSTON, TX

Presented a sustainable rethinking for Houston's development practices.

Researched biomimetic filtration systems to reduce nutrient loss caused by runoff.

Awarded 1<sup>st</sup> place by a panel of sustainability experts.

### EXPERIENCE

### Anytime Locker Manager | Tide Cleaners

02.2019 - PRESENT | HOUSTON, TX

Manage quality of satellite assets in Houston's luxury apartment communities.

Coordinate installations for the contactless locker amenity in new build construction.

Developed new business channels to generate an additional \$11K during the pandemic.

### Leasing Staff | Hanover Montrose

08.2016 - 08.2018 | HOUSTON, TX

Cultivated leadership and client management skills.

Coordinated behind the scenes with vendors to provide a seamless resident experience.

Exceeded leasing goals for the property by reaching a stabilized occupancy a quarter ahead of schedule.
